File No. : 36-38/2010-NBA

Dated: 04-04-2018

To,

**The Principal**  
**Technique Polytechnic Institute,**  
**Village –Panchrokh, Post Office – Sugandhya,**  
**District – Hooghly, Pin – 712102, West Bengal**

**Subject: Extension of the Period of Accreditation Status granted to Diploma Engineering Program(s) offered by Technique Polytechnic Institute, Village –Panchrokh, Post Office – Sugandhya, District – Hooghly, Pin – 712102, West Bengal**

**Sir,**

This has reference to NBA's letter of even number dated 10-04-2017 and 08-06-2017 under which some of the Diploma Engineering program(s) offered by your Institution were granted provisional accreditation for 2 years by National Board of Accreditation.

2. National Board of Accreditation (NBA) has now decided that in all cases where Diploma Engineering program(s) of an Institution were granted provisional accreditation for a period of 2 years in Tier I/Tier-II format, the period of provisional accreditation of these programs shall be extended from 2 to 3 years subject to the condition that they meet the essential Pre-visit qualifiers. The Pre-visit qualifiers submitted by Technique Polytechnic Institute, Village –Panchrokh, Post Office – Sugandhya, District – Hooghly, Pin – 712102, West Bengal have been considered. The following Diploma Engineering program(s) meet the essential parameters of pre-qualifiers. Accordingly, the competent authority in NBA has approved the following accreditation status to the program(s) as given in the Table below:

Sl. No.	Name of the Program(s) (DIPLOMA)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1	Civil Engineering	Tier-II January 2013, Document	Provisionally Accredited	Academic Year 2019-2020 i.e. upto 30-06-2020	Accreditation Status granted is valid for the period indicated in Col. 5 or till the program has the approval of the Competent Authority, whichever is earlier.
2	Electronics & Telecommunication Engineering		Provisionally Accredited		
3	Computer Science & Technology		Provisionally Accredited		
4	Mechanical Engineering		Provisionally Accredited		
5	Survey Engineering		Provisionally Accredited		
6	Electrical Engineering	October 2015, Document	Provisionally Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program(s) have been granted provisional accreditation. **Technique Polytechnic Institute, Village – Panchrokh, Post Office – Sugandhya, District – Hooghly, Pin – 712102, West Bengal** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

Contd....

5. The accreditation status awarded to the program(s) as indicated in the above table does not imply that the accreditation has been granted to **Technique Polytechnic Institute, Village –Panchrokhi, Post Office – Sugandhya, District – Hooghly, Pin – 712102, West Bengal** as a whole. As such the Institute should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of programs and the period of validity of accreditation, as well as the date from which the accreditation is effective, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program(s) is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of your College/Institution.

7. The accreditation status awarded to the program(s) as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

(Dr. Anil Kumar Nassa)  
Member Secretary
