TPI

Department of Electrical Engineering

(NBA Accredited)

Technique Polytechnic Institute

Approved by: AICTE, Govt. of India & Affiliated to WBSCT&VE&SD

(A Three years Diploma Engineering Institute)

Campus: Panchrokhi, P.O. – Sugandhya, Dist. – Hooghly, W.B., PIN - 712102

2015 - 2016

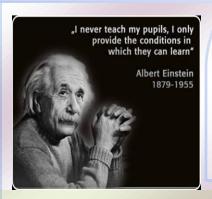

This newsletter

enlightens the activities, achievements & advancements of the department of Electrical Engineering for the academic year 2015 – 2016

Our vision is to promote active learning, critical thinking & Engineering judgment coupled with business & Entrepreneurial skills & to be a centre of excellence in the field of Electrical Engineering

From the In - Charge's Desk

With a view of positivity and approach towards quality education, Electrical Engineering Department has always strived towards excellence. The students as always came out with flying colors; be it academically, co-curricular & extra-curricular activities. We were successful in conducting seminars & industrial visits. This year we are once again going to apply for NBA & we are hopeful of a full time accreditation.

- To provide students with skill, knowledge & attitude to succeed as engineers & leaders
- To develop problem solving capability in electrical engineering field
- To prepare students with the knowledge to meet ever growing socio economic demand of industry as well as society
- To motivate students to pursue higher studies

Design and Estimation of electrification of a modern multistoried building along with the required sub-station complying I.E. Rules Electric braking systems of D.C. motors **Ayan Ghosh** (Project Guide) Fabrication of a solar power charger Economic comparison of LED & T5 fluorescent lamps with existing T12 fluorescent lamps of college building Green building lighting system I-Φ transformer rewinding design **Avijit Karmakar** Shamik Chattaraj (Project Guide) (Project Supervisor) Conduct load survey to ascertain the total load requirements of a polytechnic Fabrication of solar air cooler **Smart switch** H-type substation model (scaled **Kaustav Mallick** (Project Guide) Fabrication of a domestic inverter Lighting design of an auditorium

"Formal education will make you a living; self-education will make you a fortune" -Jim Rohn

SEMINAR, VISITS, TRAININGS & PLACEMENTS

West Bengal Renewable Energy Development Agency

Haldia Petrochemicals Limited

ITC Limited

Himadri Chemicals & Industries Limited

Durgapur Projects Limited

D.V.C. Raghunathpur Thermal Power Station

D.V.C. Panchet

IOCL Haldia Refineries

Companies visited in our college

SEMINAR

seminar conducted was "Industrial Automation using PLC, SCADA & Drives"

VISITS

- A petrol pump visit was done as per Professional Practices syllabus
- A visit to a Transformer manufacturing & repair workshop was conducted again as per Professional Practices syllabus
- Students went to visit to a multistoried building under construction to study wiring system design, load calculation & electric connection scheme from a pole mounted sub-station

...& more to come...

"It is never too late to be what you might have been"

-George Eliot
