

# TECHNIQUE POLYTECHNIC INSTITUTE

APPROVED BY **AICTE** and AFFILIATED TO **WBSCTVESD**

TRAINING & PLACEMENT  
DEPARTMENT

## CAMPUS Placement BROCHURE 2022

- First Polytechnic Institute in West Bengal, Obtained NBA Accreditation
- Awarded as "ISTE BEST STUDENT CHAPTER AWARD FOR W.B SECTION"
- Campus Drive by Flipkart, Larsen & Toubro Infotech Ltd, L&T Construction Ltd., JSW Steel Limited ;Rakon ndia Private Ltd., Indian Oiltanking Ltd., Wipro Ltd, Capgemini Technology Services India Ltd, DXC Technology Ltd., HITACHI Astemo Ltd., Subros Ltd., IIC Technologies Private Ltd. & Many more.
- State Toppers in Diploma in Computer Science & Technology and Diploma in Civil Engineering in 2015
- State Toppers in Diploma in Survey Engineering in 2019 (1st & 2nd)

**RECOGNITION  
& AWARD**

## | Vision |

To make “Training & Placement Department” the most preferred destination for the Recruiting Companies.

## | Mission |

- To prepare the students, “Industry Ready” through appropriate and adequate Training.
- To make the students aware about the Corporate culture by organising seminars by Industry Experts, arranging “On Hand” Training at Industry Premises and pre-placement talks by the Recruiting Companies during Campus Recruitment Drives.
- To build a strong Alumni Base.

# Introduction

## OVERVIEW

Technique Polytechnic Institute is approved by AICTE and affiliated to WBSCTVESD.

It is the 1st Polytechnic Institute in West Bengal accredited by National Board of Accreditation (NBA) in all the programs.

High quality education added with various Training scheme, the Institute has become a preferred destination for large number of companies. Each student gets best theoretical education, Practical Training in reputed organisation and skill training by experts.

The Institute encourages the students in co curricular activities which help them to develop soft skill and all round personality

## THE ACADEMIC RIGOUR

- ✓ **DISCIPLINE** : Zero tolerance on RAGGING. Timely attendance in class is regularly monitored.
- ✓ **PROJECTS** : Students undertake various projects under the guidance of faculty members solving real life problems.
- ✓ **R&D** : Students, under the guidance of faculty members, regularly publish papers & Journal.
- ✓ **INTERNSHIP** : Students undergo hands on Training in Various Industries, In house Career Development Training by external experts.

## FACILITIES

- ✓ Class rooms for training
- ✓ Wi - Fi connectivity
- ✓ Conference Room for GD sessions
- ✓ Audio Visual Pedagogy
- ✓ Video Conferencing
- ✓ Guest House for Trainers, Recruiters

# An Appeal To The Recruiting Organisation

2

From the desk of Chariman, Advisor (Academic and Administration ) and Advisor (Training & Placement)

**T.K. SAHA**, Chairman,  
Governing Body

Over a short span of fourteen years TPI has grown up exponentially in quality and size. Our alumni have made their mark in various fields and their achievement has made the Institute proud. Established in July 2008, TPI has become a leading Diploma Engineering Institute of the state of West Bengal.

The confidence posed by the Industries on our institute is indicated by the fact that large numbers of students are placed in various industries globally.

I invite your company to visit our Institute for Campus Recruitment drives.

Technique Polytechnic Institute has been in operation for more than fourteen years.

The first batch of students graduated in Diploma Engineering in 2011. The institute has all necessary infrastructures, highly qualified faculty members, well equipped laboratories. Students are moulded into all round personality.

I Would invite the recruiters to visit our institute for campus selection.

Prof. **S.N. Basu**, Advisor  
Academics & Administration

**J. S. Dhar**, Advisor  
Training &  
Placement

Technique Polytechnic Institute since its inception in 2008 has produced technically sound Diploma Engineers. Most of them have been recruited in Campus Drive by top establishments of the country. It is my privilege to call upon the Recruiters, who are satisfied with our Alumni and those whom our students did not have opportunity to serve them, to establish a long term relation with our Institute.

I sincerely wish that this will be a great & fruitful relationship in the making.

Mr. J.S.Dhar is M.Tech from C.U. Has more than 40 yrs of industrial experience. Worked as Chief Sales Manager in Andrew Yule & Co. and as GM- Marketing in Alstom Projects Limited.

## Inside T&P Department

**SUMAN SIKDAR**, B.E., M.B.A.  
Training & Placement Officer,  
Have extensive Industrial  
Marketing experience

**PRASUN KUMAR MITRA**, M.Tech  
Training & Placement Officer

**KOUSIK GHOSH**  
Assistant Office Superintendent,  
T&P Department

# RENEWABLE ENERGY POWER PLANTS LABORATORY

## Availability of Industry-ready Candidates for Renewable Energy Sector

Technique Polytechnic Institute of Hooghly, has taken initiative to create industry-ready candidates for Renewable Energy Sector. This year, the Institute has setup RENEWABLE ENERGY POWER PLANTS LABORATORY with an objective to train the students so that they may serve the industry from day one without any hassle of training by the recruiters.

List of Equipments installed at RENEWABLE ENERGY POWER PLANTS LABORATORY:

**1. Pyranometer:** to perform experiment to measure Solar Radiation using Pyranometer on tilted surface at different angles of inclination and plot radiation vs. Time characteristics for certain duration.

### Objectives

- To understand the idea of Solar Insolation
- To understand working of Pyranometer
- To handle Pyranometer to measure solar radiation
- To understand relation between output voltage of a pyranometer and solar radiation

**2. Experimental Setup:** to Perform experiment to plot I-V characteristics of photovoltaic cell module and find out the solar cell parameters (O.C. voltage, Short circuit current, Voltage-current-power at Maximum Power point, Fill factor, Efficiency).

### Objectives

- Identify solar cell type (Monocrystalline/Polycrystalline)
- Testing for Open circuit voltage
- Testing for Short circuit current
- Measure voltage & current at different combination of modules
- Plot I-V characteristics
- Locate maximum power point (MPP)
- Calculate Fill Factor
- Calculate efficiency

**3. Installation of solar PV plant to generate electricity:** 1 kW MPPT Solar Inverter and 12V, 200Ah Battery with 3 Nos. 335Wp Solar Panel,

**Rooftop PV module**

**Battery ,Solar inverter and load**

### Objectives

- Load calculation
- Designing of PV System
- Cost estimation
- Realization of Solar PV panel rating
- Identification of various components
- Installation of the PV system

4. Working Model of Wind Power Plant: Here, students are getting knowledge how to generate electricity using wind power.

Horizontal Axis Wind Turbine

## About T & P Department

### **CAREER DEVELOPMENT TRAINING**

A unique training program is conducted in audio visual mode. Logical Reasoning, Quantitative Aptitude, English Communication are taught by experts. Mock Interviews, Mock GDs are taken to ensure students success in the long run. This program is free of cost.

### **FREE JELET TUTORIALS**

Conducts free JELET coaching classes for the students willing for higher studies. Internal & External experts conduct classes to enhance the skill required for obtaining high ranks in JELET examination.

### **INDUSTRY INSTITUTE INTERACTION CELL**

TPO's constantly visit various Industries and meet H.R. personnel and project managers, to study the Industry Academia gap and suggests the respective academic department to include more Industry relevant topics. The goal of Training & Placement is to provide relevant training and thus prepare the students to face Campus Recruitment opportunities

The purpose for IIIC is for enhancing the relationship between the Institute and the Industry. This Cell identifies the industrial expectation and promotes Institutional preparation to meet Industrial needs. The IIIC reflects in equipping faculty to latest practices and makes the students Industry ready by providing exposure to current Industry practices.

### **OBJECTIVES**

The objective of the IIIC is to reduce the gap between Industry expectations and academic offerings by direct involvement of Industry to attain a mutually beneficial relationship. All the Stake Holders, namely Institution, Industry, Students, & Society stand to gain as it can be a win win partnership.

### **IIIC ACTIVITIES**

✓ Arranging Short Term Industrial Training / internship/ industrial visit for students & faculty members.

Identifying the opportunities for students project work in Industry / Internship

✓ Seminars and Workshops by Industry experts.

✓ Implementing the measures on skill gap analysis & relevant training

### **INTERNSHIP**

Internship for 2/4 weeks provided to the students twice in a year.

### **JOB RELEVANT TRAINING**

AUTOCAD by L&T Construction, Solar PV Installer training by Saltlake Institute of Engineering & Management Ltd., PHP & MySQL by Topstack, Civil Construction work from PWD and PHED, Railway Engineering (Workshop) from South Eastern Railway, Electronics Manufacturing by PHILVEL.

### **HR LIAISON**

Constant visits to the prospective recruiters nationwide throughout the year and liaising with the HR managers are maintained.

### **BACK OFFICE**

Prepares Industry database & facilitates students for submission of database via On Line Database Management System.

### **TPI JOB PORTAL**

T&P Department interacts with final year students, boost awareness on current Industry scenario and collects digital CVs via a unique portal ~ TPI Job Portal.

10MW Solar Project at Bhajanghat, Nadia

## Industry Institute Interaction Cell (IIIC Cell)

8

- ✓ Memorandum of Understanding (MOU) between “TOPSTACK” and “Technique Polytechnic Institute” signed on 25th. day of August, 2021.
- ✓ M/S. SRKPTECHNOLOGIES uttarpara, hooghly, has selected 2 students from DCST for their company.(M.O.U. is signed between TPI and Above said company)
- ✓ Arabinda Enterprise , Howrah helped us as a consultant for the campus dive of MechTric EV India Pvt. Ltd. (M.O.U. is signed between TPI and Above said company)
- ✓ Conducting VT for DCE 2022 passing out students by – Technique Unemployed Engineers Co-operative Society Ltd, Hooghly.(M.O.U. is signed between TPI and Above said company)
- ✓ Conducting VT for DCE 2022 passing out students by –Technospeed Real Estate Pvt. Ltd, Bandel, Hooghly.(M.O.U. is signed between TPI and Above said company)
- ✓ UMA Poly Solutions, Howrah the vendor of Philips India Lighting, proposed to collaborate with our Institute for research & development.
- ✓ The Industry Institute Interaction Cell invites all the Students of 5th Semester to attend a Webinar through online mode , Topic: Employability Enhancement & Practice for Assessment test, Speaker I Trainer: Ms Sanchaita Ghosh, Jr. Territory Manager, HireMee Pvt Ltd, Bangalore, For the Students of All Stream, 2022 Passing – Out , Seminar held on 10th May 2022.
- ✓ The Industry Institute Interaction Cell in collaboration with Department of Electrical Engineering has organised 1 Day Industry visit for 6th Semester students of electrical engineering

Date of Visit: 10th June, 2022, Friday; Reporting Time: 11:00 AM; Place of Visit : 10 MW Solar Project at Bhajanghat, Nadia District ( nearest Railway Station Majhdia, on Sealdah - Gede Line)

Electrical Engg. 2022 passout batch visited 10MW Solar Project at Bhajanghat, Nadia

## INTERNSHIP ACTIVITIES DURING THE YEAR

- Mechanical, Electrical & Electronics and Telecommunication engineering students of 2022 pass out batch get paid internship opportunity from Flipkart.
- Computer Science & Technology students of 2022 pass out batch get paid internship opportunity from Itobuz Technologies Pvt. Ltd.
- Electrical, Computer Science & Technology, Electronics and Telecommunication engineering students of 2022 pass out batch get paid internship opportunity from ROITech Consulting Pvt. Ltd.
- Civil & Survey engineering students of 2022 pass out batch get paid internship opportunity from Serampore Municipality on Field Survey for General Assessment and Valuation of Premises.
- Civil engineering student was selected by Amlinmart, TRUSTKLUB Consulting Private Limited for paid internship for 2020 pass out batch.
- Electronics and Telecommunication engineering student was selected by Mobile Gaming Hub for paid internship for 2020 pass out batch.
- Computer Science & Technology student was selected by Muskurahat Foundation, Tare Zameen Foundation for paid internship for 2022 pass out batch.
- Computer Science & Technology student was selected by Homejam, Youth & Sports Development Federation of India for Performance Based internship for 2020 pass out batch.
- Mechanical engineering student was selected by Qween Network LLP, World Of Digital Dudes for paid internship for 2021 pass out batch.
- Civil engineering student was selected by Hamari Pahchan NGO, Social Volunteering work for Performance Based for 2019 pass out batch

10MW Solar Project at Bhajanghat, Nadia

# ENTREPRENEURSHIP DEVELOPMENT CELL (E.D.C) ACTIVITIES

10

Entrepreneurship Development Cell (EDC) of T.P.I organized a programme for all the students of 2023 passing-out and 2022 pass-out batch

- Topic : ● Entrepreneurship and Innovation as a Career Opportunity  
● My Story - A motivational session by successful entrepreneur / start-up founder
- Date : 20th October, 2022, Thursday
- Time : 03:00 PM to 04:30 PM.
- Guest Speaker : Mr. Sanjiv Kumar Sen - Assistant Director of Industries / Manager (E.I), District Industries Centre, Hooghly
- Speaker : Mr. Debasis Das - Chief Executive, The Hooghly Co-operative Credit Bank Ltd
- Speaker : Mr. Tapas Kumar Saha - Chairman - Governing Body of TPI TPI Alumni Entrepreneurs

Seminar on Entrepreneurship

## Some of our Alumni Entrepreneurs :

Name of Entrepreneur: **Souvik Kundu**  
Passed out in the year 2019  
Name of the Company: **SRKP Technologies Pvt.Ltd.**  
Nature of Business: Software Service and automation products and Ecommerce  
Phone No: +9172784 91931

Name of Entrepreneur: **Gourab Das**  
Passed out in the year 2018  
Name of The Company: **M.D Engineering & Surveys Pvt. Ltd**  
Nature of Business: Design Consultant Civil & Survey  
Phone No: +9185368 98271

## Some of our Alumni Entrepreneurs :

Name of Entrepreneur: **Debarthi Saha**

Passed out in the year 2015

Name of The Company: **Topstack**

Nature of Business: IT Consultant

Phone No: +918910045833

Name of Entrepreneur: **Abhisek Koley**

Phone No: 8013791979

Name of the Company: **A.K.Metal**

Nature of Business: Manufacturing

(Various kind of ferrous & non ferrous Material)

Passed out in the year 2018

Name of Entrepreneur: **Prayas Nag**

Phone No: 9804945146

Name of the Company: **P.K.Nag, Engineers & Valuers**

Nature of Business: Valuation & Asset Appraisal

Passed out in the year 2016

Seminar on Entrepreneurship Orientation Programme by Chairman G.B. TPI & Alumni Entrepreneurs

# PLACEMENT REPORT 2022

## BULK SELECTIONS

This year not only many quality companies visited the campus for recruitments, but also they have offered a good number of jobs to the candidates. The following list are, to name a few.

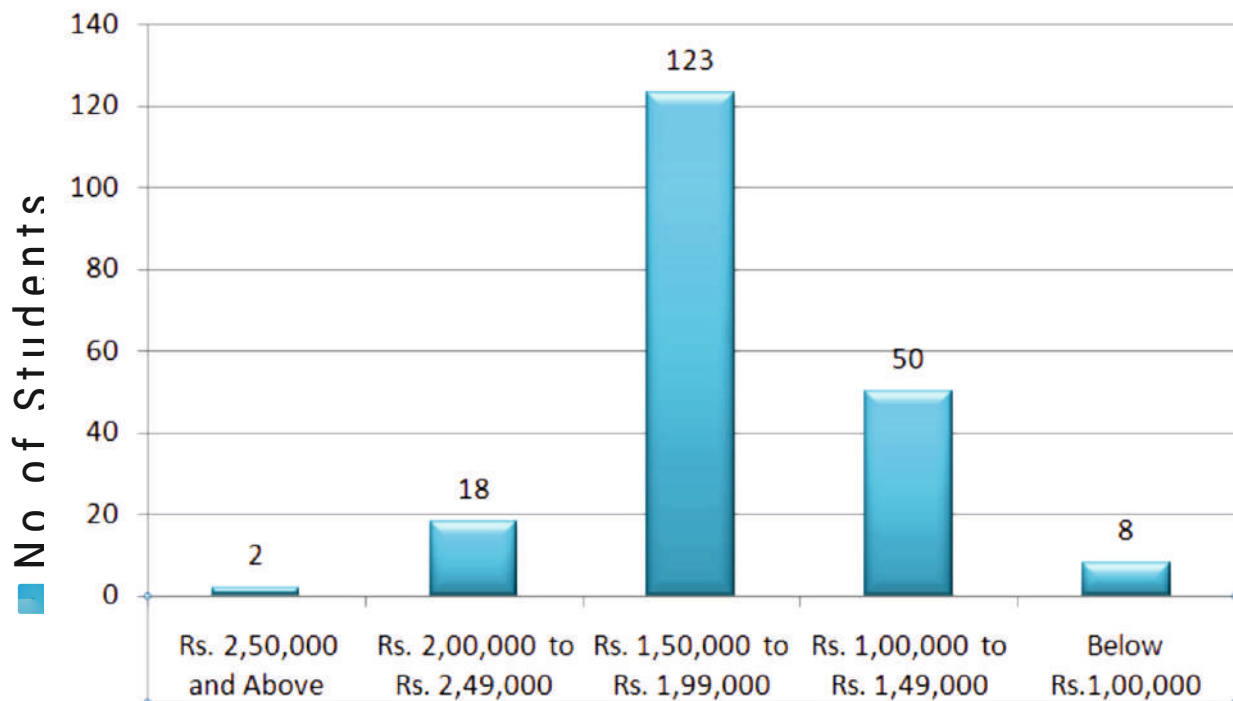

LUMAX AUTO TECHNOLOGIES LIMITED (29), IIC TECHNOLOGIES PRIVATE LIMITED (25), SUBROS LIMITED (22), SHARDA MOTOR INDUSTRIES LIMITED (13), RAKON INDIA PRIVATE LIMITED (12), TATA YAZAKI AUTOCOMP LIMITED (12), WISTRON INFOCOMM MANUFACTURING (INDIA) PRIVATE LIMITED (11), PRECISION SURVEY CONSULTANCY (6), WIPRO LIMITED (5), L&T CONSTRUCTION LIMITED (5), DXC TECHNOLOGY LIMITED (4).

## SALARY OFFERED (LPA) BY FEW COMPANIES

Selected Students by Campus Drive

# Placement Procedure

## △ FORMAL INVITATION TO THE RECRUITERS

T&P Department approaches the companies nationwide requesting for campus recruitment drive

The Department maintains good relations and close contact with Human Resource managers of the companies

## △ CONFIRMATION FROM THE RECRUITERS

The recruiters confirm the date of Campus Drive to the Training & Placement Department, along with the Job Details, Salary Structure etc.

T&P Department submit the database of Eligible Students to the recruiters

## △ NOTIFICATION TO THE STUDENTS

The Training & Placement Department notifies the eligible students, about the details of Campus Recruitment Drive

Notices are put on NOTICE BOARDS, mailed to the students and posted in TPI Job Portal

## △ PRE PLACEMENT TALK (Online/Off Line)

On the date of Campus Drive, the recruiting company / T&P Department gives a Pre Placement Talk to the willing students, followed by an Interactive Session

## △ SELECTION PROCEDURE (Online/Off Line)

Aptitude Test, Group Discussion and Interviews are conducted by the recruiting companies. T&P Department has a furnished GD room, separate class rooms for Aptitude Test and Interview Cabins. Interviews via Skype / Video Conferencing are also arranged

## △ SELECTION RESULTS

The names of the Selected students are announced. The company send Offer Letter at the end of the selection.

The selected students are not allowed to participate for further campus recruitment drives

Pre Placement Talk by Company official

## Feedback

✓ FROM RECRUITERS

Dear Mr. Dhar

Greeting.

The students recruited 2 years back are doing well and we in fact are trying to put them into more meaningful and independent role now. The bench strength created 2 years back is supporting the organization in right manner and helping us plan our survey resources in more strategic manner. This was another reason that we realized that we don't have immediate requirement for inducting a new batch right away.

Nevertheless, as you have mentioned in your mail below, I reiterate that I am looking forward to visiting the campus depending upon the business hiring plan in next academic session.

Regards - Subhankar Datta

Head Human Resources- Infrastructure & South Asia Business

KEC International Limited (RPG Group)

-----

Dear Mr. Dhar Saheb,

Greetings from IIC Technologies Ltd,

Thanks for giving this opportunity to share our feedback during campus placements drive at Technique Polytechnic Institute (TPI). It has been a good experience working with Technique Polytechnic Institute (TPI) in hiring Land Surveyors and GIS Engineers; we would like to thank the entire support team during various drives we conducted at your campus since May 2014. The experience always has been extremely professional and at the same time the hospitality was very friendly. Our production team is happy with the quality of the candidates that we have been able to get from TPI, however the stability of them at work need to be focused. We expect the Faculty members to be updated as per the technologies being practiced in various industries and the lab technicians may keep upgrading the equipment as per the trend in market. We are looking forward to continue working with TPI. Once again we thank the management committee of TPI to be associated with IIC Technologies.

Mohammed Yaseen Shaik

General Manager Human Resources

IIC Technologies, Limited

✓ FROM INDUSTRIAL TRAINER

Respected Mr. Dhar

I would like to communicate you that your students are very good & interactive one. It has helped us immensely to carry out the training plan within the shortest possible time as available. I must thank my colleagues in organizing the shop visit of 2 batches (35 students each) successfully. I think your students are benefited out of this industrial visit & interaction programme

Ashis Chowdhury

Deputy General Manager (Works)

Kalyani Unit, Andrew Yule & Company Limited

✓ FROM STUDENT EMPLOYED OVERSEAS

Sir,

We are glad enough to receive your mail. Yes, we both are fine and everything is good here. There is nothing to worry about. I apologize, due to work load I was unable to reply you at that moment. Food and water availability is beyond our expectation. Temperature is really high, today is 41 outside. and accommodation is also good and furnished.

Best wishes from Oman

With Sincere Regards,

Sauvik Chandra - Land Surveyor

Hasan Juma Backer Trading & Contracting Co.

Muscat, Oman

✓ FEEDBACK FROM STUDENT ON INTERNSHIP AT TATA CONSULTANCY SERVICES

“It was my pleasure to work as Intern in TCS for 1 month (arranged by TPI). During the internship I have learned operations, HR management, basic networking, cloud computing, drive download, mock drive for mock test, Live Digital assessment scenario, configuring the servers and file sharing for digital assessment. I have also gained insights on security system, MIS, project management, finance and reconciliation. Moreover, I have learnt to work professionally, sustain in corporate environment, smart working techniques. It has also improved my communication.

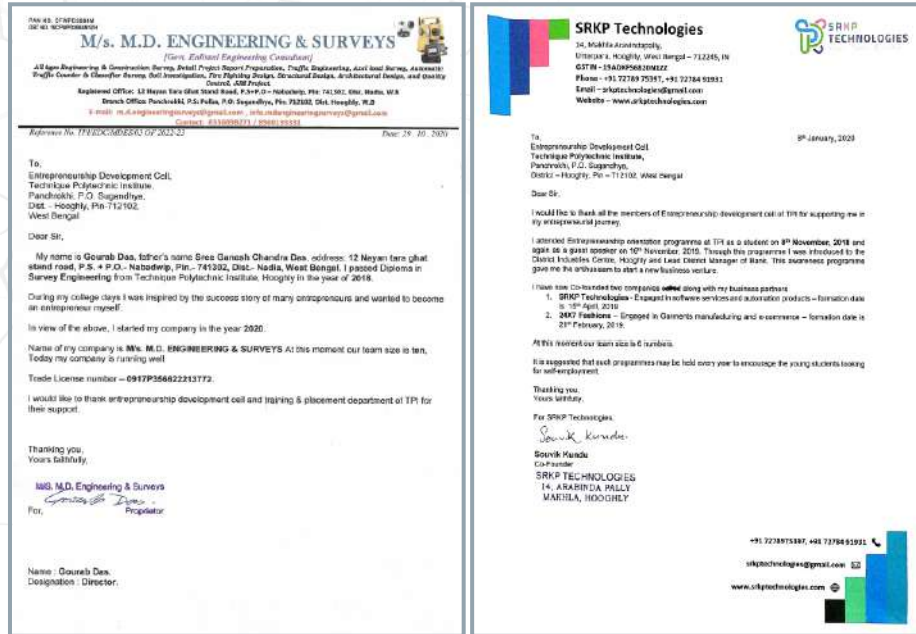

During the days, I have never felt that I am working as an Intern, rather as a part of TCS family.
