## | Vision |

- To make “Training & Placement Department” the most preferred destination for the Recruiting Companies.

## | Mission |

- To prepare the students, “Industry Ready” through appropriate and adequate Training.
- To make the students aware about the Corporate culture by organising seminars by Industry Experts, arranging “On Hand” Training at Industry Premises and pre- placement talks by the Recruiting Companies during Campus Recruitment Drives.
- To build a strong Alumni Base.

## From the Desk of Principal

Presently Diploma Engineering Education is changing continuously with the changes in global demand. To accord with these changes, Technique Polytechnic Institute completed 17 years of its journey in Technical Education. We are all very proud that now four courses of this institute have again been accredited by the NBA up to 30.06.2026. We are very pleased to announce that in 2014 we were the first Polytechnic in West Bengal whose program was NBA accredited and in 2017 we were the first institute in the Eastern Region whose all programs were NBA accredited.

Modern 'Teaching Aids' (audio and video), Smart classrooms, and modern laboratories duly equipped with state-of-the-art equipment and facilities have been set up to ensure an effective learning-teaching environment. Our campus is Wi-Fi enabled. Implementation of ICT (Information Communication Technology) Laboratory provides digital access to students and teachers for improved academic performance. It exposes the students to learning the subject/lab using the Internet /Self-learning practice tools. We have an excellent library equipped with the latest books and journals. Additionally, we have a seminar hall and well-equipped conference hall for conducting conferences, workshops, important events, and invited lectures by eminent persons from industries and academia (including Alumni meetings).

The project works and industrial training of our students have been decided to enhance their placement prospects. Career Development Training (CDT) classes are conducted to improve the skill sets of students to enable them to be competitive. We extend personal care to all students throughout their studies with us through the well-designed mentoring process. Our institute is wide, and full of greenery yonder from industrial noise/fumes and environmentally spanking-new for pursuing work and sports activities. We have hostel facilities for boys only. Anti-Ragging measures/initiatives are put in place well surpassing the prelude of the session to ensure that freshers move in campus freely and confidently. In addition, the Anti-Ragging squad has been continuously visiting critical places frequently and carrying out surprise checks on vulnerable places such as campus corridors, hostel, common rooms, and cafeterias.

Every year brush-up programme, induction programme and bridge programme have been organized for 1st year and 2nd year (lateral entry) students respectively before the commencement of their full-fledged classes, which increases interest and enthusiasm regarding technical education among the students. We insist that students conduct practical sessions themselves under the strict supervision of faculty members. The students are encouraged to participate in both academic and cultural events like technical model competitions, hackathon, quizzes, college fest (Abahoni), etc. Internships are arranged for the students in different industries, construction sites, and power plants. Eminent experts are invited from both industry and academia for interaction with the students on the latest developments and trends. We are committed to getting our students to face confidently, the challenges of the future posed by the world in terms of technological, social and economic changes. Our Vision is to make our institute a centre of excellence through high-quality learning-teaching and other academic activities.

**Dr. Avijit Karmakar**  
Principal

# Introduction

## OVERVIEW

Technique Polytechnic Institute is approved by AICTE and affiliated to WBSCTVESD.

At present four programmes of this Institute are accredited by National Board of Accreditation till 30.06.2026.

(The First and only Polytechnic Institute in West Bengal which had achieved NBA Accreditation for all its' Regular Programmes for the session 01/07/2017 to 30/06/2020).

High quality education added with various Training scheme, the Institute has become a preferred destination for large number of companies. Each student gets best theoretical education, Practical Training in reputed organisation and skill training by experts.

The Institute encourages the students in co curricular activities which help them to develop soft skill and all round personality

## The Academic Rigour

- ✓ DISCIPLINE : Zero tolerance on RAGGING. Timely attendance in class is regularly monitored.
- ✓ PROJECTS : Students undertake various projects under the guidance of faculty members solving real life problems.
- ✓ R&D : Students, under the guidance of faculty members, regularly publish papers & Journal.
- ✓ INTERNSHIP : Students undergo hands on Training in Various Industries, In house Career Development Training by external experts.

## Facilities at T&P Department

- ✓ Class Rooms for Training
- ✓ Free Wi - Fi connectivity
- ✓ Conference Room for Mock Interview & GD sessions
- ✓ Audio Visual Pedagogy
- ✓ Video Conferencing
- ✓ Guest House for Trainers, Recruiters

# About Training & Placement Department

## **BEST PRACTICES**

Pre-placement Training to enhance the Aptitude, English Communication, Soft Skills and Technical Skills for Diploma students.

## **CAREER DEVELOPMENT TRAINING**

A unique training program is conducted in audio visual mode. Logical Reasoning, Quantitative Aptitude are taught by experts. Mock Interviews, Mock GDs are taken to ensure students success in the long run.

## **JELET TUTORIALS**

Conducts free of cost JELET coaching classes for the students willing to go for higher studies. Internal & External experts conduct classes to enhance the skill required for obtaining high ranks in JELET examination.

## **INDUSTRY INSTITUTE INTERACTION CELL (IIIC)**

### **OBJECTIVES**

The objective of the IIIC is to reduce the gap between Industry expectations and academic offerings by direct involvement of Industry to attain a mutually beneficial relationship. All the Stake Holders, namely Institution, Industry, Students & Society stand to gain as it can be a win partnership.

- ✓ Arranging Short Term Industrial Training / Internship/ Industrial visit for students & faculty members.
- ✓ Identifying the opportunities for students project work in Industry / Internship.
- ✓ Seminars and Workshops by Industry experts.
- ✓ Implementing the measures on skill gap analysis & relevant training.

TPO's constantly visit various Industries and meet H.R. personnel and project managers to

study the Industry Academia gap and suggests the respective academic department to include more Industry relevant topics. The goal of Training & Placement is to provide relevant training and thus prepare the students to face Campus Recruitment opportunities.

The purpose of IIIC is to enhance the relationship between the Institute and the Industry. This Cell identifies the industrial expectation and promotes Institutional preparation to meet Industrial needs. The IIIC reflects in equipping faculty to the latest practices and makes the students Industry ready by providing exposure to current Industry practices.

### **INTERNSHIP**

Internship for 2/4 weeks provided to the students twice in a year.

### **JOB RELEVANT INTERNSHIP PROVIDERS**

West Bengal Power Development Corporation Limited (WBDCL), Bharat Sanchar Nigam Limited (BSNL), Eastern Railway, National Small Industries Corporation (NSIC) Howrah, Ardent Computech Private Limited., Spectrum Edutech, RootNik Labs ,TOPSTACK, Absolute Surveying. IPDA Centre Bandel, Steel Equipment & Construction Pvt. Ltd.

### **HR LIAISON**

Constant visits to the prospective recruiters nationwide throughout the year and liaising with the HR managers are maintained.

### **BACK OFFICE**

Prepares Industry database & facilitates students for submission of database via On Line Database Management System.

# Industry Institute Interaction Cell (IIIC) Activities in 2024-25

## ONE DAY INDUSTRIAL VISIT FOR FINAL YEAR STUDENTS

### ONE DAY INDUSTRIAL VISIT FOR FINAL YEAR STUDENTS

♦ Final year students of Diploma in Civil Engineering (2025 pass out batch) under guidance of our two faculties visited at the site of Effluent & Watertreatment Engineers (P) Ltd., Arsenic cum Iron Removal Plant (AIRP) under the Jal Jeevan Mission Scheme of Govt. of India under the Nadia Arsenic Division-I of PHED, Govt. of West Bengal at Bagachara, near Shantipur in Nadia district for one day industrial visit. (The company is associated with us as Recruiter and Internship Provider).

♦ Final year students of Diploma in Mechanical Engineering (2025 pass out batch) visited at the factory of Uma Poly Solutions Pvt. Ltd Jalan Complex, Howrah. . (The company is associated with us as Recruiter).

♦ Final year students of Diploma in Electrical Engineering (2025 pass out batch) under guidance of a faculty visited at Electric Buses Charging Station of Calcutta State Transport Corporation (CSTC) - Salt Lake Bus Depot. (The company is associated with us as Internship Provider).

## MOU WITH INDUSTRY (MEMORANDUM OF UNDERSTANDING)

### MoU signed with

MEMORANDUM OF UNDERSTANDING (MOU) was signed between Effluent & Watertreatment Engineers (P) Ltd., Kolkata, and Technique Polytechnic Institute on the Month of July 2024. (The company is associated with us as recruiter and Internship Provider)

Recognition to the Top 10 JELET Rank Holders

Internship at BKTPS

# **Entrepreneurship Development Cell (EDC)**

## **Activities in the session 2024-25**

### **□ Innovation & Entrepreneurship outreach Programme**

A Seminar was organized by Entrepreneurship Development Cell (EDC) and Department of Science & Humanities in collaboration with Institution's Innovation Council (IIC) at Mearberh Ramkrishna Sikshaniketan School, Karbala Road, Chinsurah.

Topic: Innovation & Entrepreneurship outreach Programme for School Students

Date: 13th August 2024

Speaker: Sri. Prosenjit Roy, M.Com, MBA, Lecturer. TPI

### **□ Entrepreneurship Awareness Programme**

A Seminar was organized by Entrepreneurship Development Cell (EDC) in collaboration with Institution's Innovation Council (IIC) on Entrepreneurship Awareness Programme for the 2025 pass out batch.

Topic: How to Plan for Start-up and Legal & Ethical Steps.

Date: 13th August 2024.

Speakers:

Mr. Basudev Banerjee, Secretary, AIDSQ, Kolkata

Mr. S.K. Das, Former Asst. Director, MSMEDFO, Govt. of India

Mr. Shasanka Dutta, DCI

### **□ One day Workshop on Entrepreneurship**

A Seminar was organized by Entrepreneurship Development Cell (EDC) in collaboration with Institution's Innovation Council (IIC) a One day Workshop on Entrepreneurship for the 2025 pass out batch.

Topic: Entrepreneurship and innovation as Career Opportunity.

Date: 22nd November, 2024

Speakers:

Mr. Anil Manna, Industrial Development Officer. D.I.C, Hooghly

Mr. Uday Das, Industrial Development Officer. D.I.C, Hooghly

## Students Placed at SKIPPER

## Campus Drive of TRANSRAL

# Placement Procedure

## △ FORMAL INVITATION TO THE RECRUITERS

T&P Department approaches the companies nationwide requesting for campus recruitment drive

The Department maintains good relations and close contact with Human Resource managers of the companies

## △ CONFIRMATION FROM THE RECRUITERS

The recruiters confirms the date of Campus Drive to the Training & Placement Department, along with the Job Details, Salary Structure etc.

T&P Department submit the database of Eligible Students to the recruiters

## △ NOTIFICATION TO THE STUDENTS

The Training & Placement Department notifies the eligible students, about the details of Campus Recruitment Drive

Notices are put on NOTICE BOARDS, mailed to the students and posted in TPI Job Portal

## △ PRE PLACEMENT TALK (Online/Off Line)

On the date of Campus Drive, the recruiting company / T&P Department gives a Pre Placement Talk to the willing students, followed by an Interactive Session

## △ SELECTION PROCEDURE (Online/Off Line)

Aptitude Test, Group Discussion and Interviews are conducted by the recruiting companies. T&P Department has a furnished GD room, separate class rooms for Aptitude Test and Interview Cabins. Interviews via Skype/Video Conferencing are also arranged

## △ SELECTION RESULTS

The names of the Selected students are announced. The company send Offer Letter at the end of the selection.

The selected students are not allowed to participate for further campus recruitment drives

Subject: Acknowledgment of Your Generous Donation

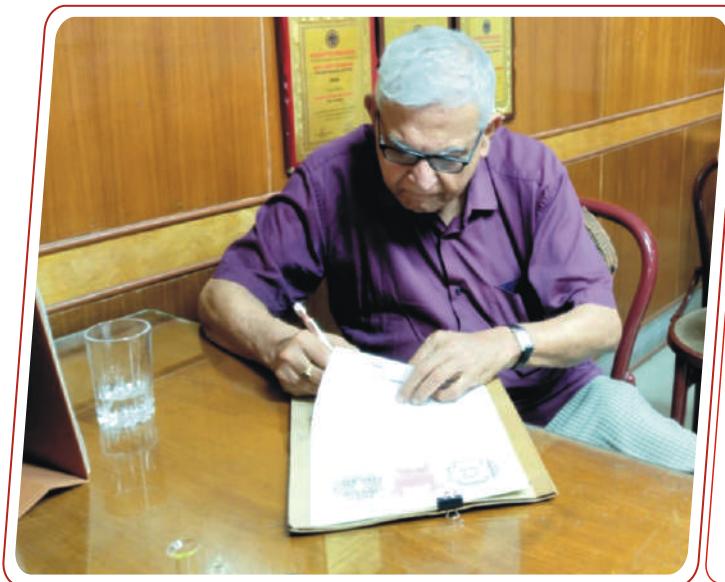

Dear Sir/Madam,

On behalf of our organisation, we extend our heartfelt gratitude to Effluent & Water Treatment Engineers Pvt. Ltd. for your generous grant towards the development of our laboratory. Your support significantly enhances our ability to create an enriched learning environment for our students and strengthens our capacity to serve our community effectively.

Your contribution is a testament to your commitment to fostering education and development. We deeply value the trust you have placed in us and are inspired by your generosity to continue striving toward excellence in our endeavours.

Thank you once again for your impactful support.

With warm regards,  
Avijit Karmakar  
Principal

West Bengal

Dear Sir,

My name is Gourab Das, father's name Bree Ganesh Chandra Das, address: 12 Nayan Tara ghat stand road, P.O. - Nababipur, Pin - 741302, Dist. - Nadia, West Bengal. I passed Diploma in Survey Engineering from Technique Polytechnic Institute, Hooghly in the year of 2016.

During my college days I was inspired by the success story of many entrepreneurs and wanted to become an entrepreneur myself.

In view of the above, I started my company in the year 2020.

Name of my company is **M/s. M.D. ENGINEERING & SURVEYS** At this moment our team size is ten. Today my company is running well.

Trade License number - 09179350622215772.

I would like to thank entrepreneurship development cell and training & placement department of TPI for their support.

Thanking you,  
Yours faithfully,

M/s. M.D. Engineering & Surveys  
*Gourab Das*

To,  
Entrepreneurship Development Cell,  
Technique Polytechnic Institute,  
Pancharhat, P.O. Sagarhat,  
Dist. - Hooghly, Pin - 712102, West Bengal

Dear Sir,

I would like to thank all the members of Entrepreneurship development cell of TPI for supporting me in my entrepreneurial journey.

I attended Entrepreneurship orientation programme at TPI as a student on 08 November, 2016 and again as a guest speaker on 10 November, 2019. Through this programme I was introduced to the District Industries Centre, Hooghly and Head District Manager of Bank. This awareness programme gave me the enthusiasm to start a new business venture.

I have now Co-founded two companies ~~along~~ along with my business partners.

1. **SRKP Technologies** - Engaged in software services and automation products - formation date is 10 April, 2018
2. **SKP Fashions** - Engaged in Garments manufacturing and e-commerce - formation date is 21 February, 2019

At the moment our team size is 10 numbers.

It is suggested that such programmes may be held every year to encourage the young students looking for self-employment.

Thank you,  
Yours faithfully,

For **SRKP Technologies**,

## **RELIANCE JIO SKILL DEVELOPMENT TRAINING PROGRAM**

Reliance Jio trained 94 Number of students in OPTIC FIBRE TECHNICAL SKILLS  
at our Institute Campus. This training was free of cost to our 2019 Pass out students.

We prepare our students as Industry Ready candidates...

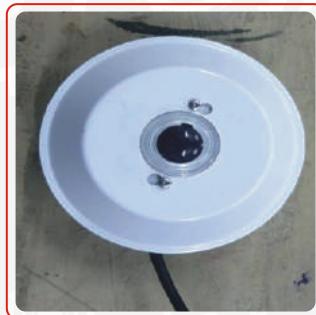

## **Industry Ready our Latest Laboratory Set-up**

### **Renewable Energy Power Plants Laboratory**

Technique Polytechnic Institute of Hooghly, has taken initiative to create industry-ready candidates for Renewable Energy Sector. This year, the Institute has setup RENEWABLE ENERGY POWER PLANTS LABORATORY with an objective to train the students so that they may serve the industry from day one without any hassle of training by the recruiters.

List of Equipments installed at RENEWABLE ENERGY POWER PLANTS LABORATORY:

1.Pyranometer: to perform experiment to measure Solar Radiation using Pyranometer on tilted surface at different angles of inclination and plot radiation vs. Time characteristics for certain duration.

#### **OBJECTIVES**

- a.To understand the idea of Solar Insolation
- b.To understand working of Pyranometer
- c.To handle Pyranometer to measure solar radiation
- d.To understand relation between output voltage of a pyranometer and solar radiation

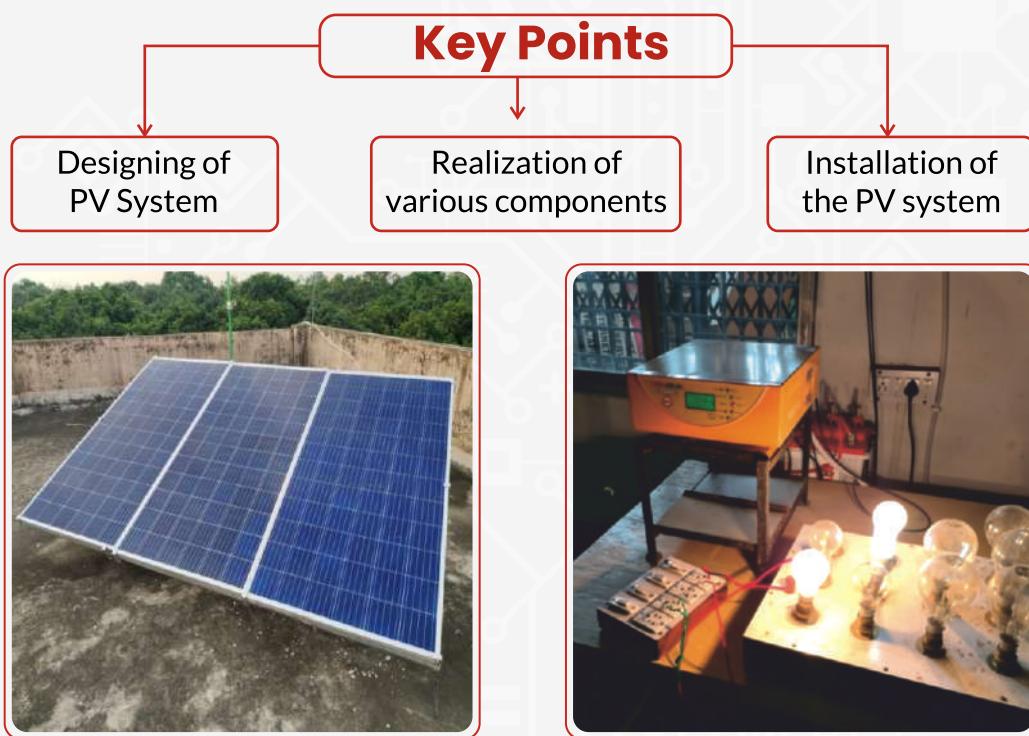

2.Experimental Setup: to Perform experiment to plot I-V characteristics of photovoltaic cell module and find out the solar cell parameters (O.C. voltage, Short circuit current, Voltage-current-power at Maximum Power point, Fill factor, Efficiency).

## OBJECTIVES

- a.Identify solar cell type (Monocrystalline/Polycrystalline)
- b.Testing for Open circuit voltage
- c.Testing for Short circuit current
- d.Measure voltage & current at different combination of modules
- e.Plot I-V characteristics
- f.Locate maximum power point (MPP)
- g.Calculate Fill Factor
- h.Calculate efficiency

3.Installation of solar PV plant to generate electricity: 1 KW MPPT Solar Inverter and 12V, 200Ah Battery with 3 Nos. 335Wp Solar Panel,

Rooftop PV module

Battery ,Solar inverter and load

## OBJECTIVES

- a.Load calculation
- b.Designing of PV System
- c.Cost estimation
- d.Realization of Solar PV panel rating
- e.Identification of various components
- f.Installation of the PV system

4. Working Model of Wind Power Plant: Here, students are getting knowledge how to generate electricity using wind power.

Horizontal Axis Wind Turbine
